

Our Manufacturing Department is in full swing! Need a part? We build them. For quotes on manufactured items, please contact our sales department, send a sample or fax or e-mail drawings and we will contact your company. Magic Industries manufactures hard-to-find parts as well as parts made overseas in the oilfield, construction and plastic industries. Most parts are made in quantities of 50 up to 1,000 or more at a time.

A large industrial CNC machine with a control panel and a monitor. The machine is white and has a large window for viewing the work area. The brand name "ST 30" is visible on the side. The machine is used for manufacturing and has a high quality of work. The machine is used for manufacturing and has a high quality of work. The machine is used for manufacturing and has a high quality of work.
